The decision to join an IYT®-International Yoga Teacher affiliation programme through our registered IYS®-International Yoga School should be based on a thorough analysis of the costs and benefits involved. By considering factors such as the affordability of registration fees, the benefits received from paying those fees, and feedback from all the aspiring IYT®-International Yoga Teachers, they can make an informed decision that aligns with their goals and budget. It is important to remember that investing in a reputable affiliation programme for IYT®-International Yoga Teachers can provide valuable support and resources for professional growth in the field of yoga teaching.
